

PREVENTION OF SEXUAL HARASSMENT (POSH) POLICY

Acme Technologies Pvt Ltd is committed to a workplace free of sexual harassment, as required by the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013. This policy covers all employees, interns, contractors and visitors, at the office, at client sites, at work events and online.

1. What sexual harassment is

Sexual harassment includes unwelcome physical contact, demands or requests for sexual favours, sexually coloured remarks, showing pornography, and any other unwelcome conduct of a sexual nature, in person or online.

2. Internal Committee

The company has an Internal Committee with a presiding officer who is a senior woman employee, at least two employee members, and one external member from an NGO. At least half of the members are women. Their contact details are on the intranet.

3. Making a complaint

A complaint can be made in writing to the Internal Committee within 3 months of the incident, or of the last incident in a series. The committee may extend this by another 3 months for good reason.

4. Inquiry

The committee completes its inquiry within 90 days and gives its report within 10 days after that. Both sides are heard. The identities of everyone involved are kept confidential.

5. Interim relief and protection

During the inquiry the committee may move either person to another team or location, or grant the complainant up to 3 months of paid leave. Retaliation against anyone who complains or gives evidence is itself misconduct.
